DELEGATION MEETING

Carroll County Home
February 1, 1958

Thirty-five delegation members and county officials and their wives enjoyed an especially good dinner at the Home. Our thanks and commendations go to the Hatches for their hospitality.

Following dinner, Chairman Chandler called the group to order and the budget was reviewed with explanations given by the various departments.

Following this, the Delegation meeting was called to order by Chairman Chandler. Present: Chandler, Hill, Claflin, Alexander, Roberts, Lamprey, George Nickerson, Morey, Thompson, Peaslee, Morrill, Sawyer was present for dinner, but had to leave before the meeting.

Discussion of Budget followed by item.

Item 1 & 2. Approved.

Item 3. Discussion revealed some members of Delegation had not known they were entitled to pay and mileage. Item 3. Approved.

Item 4. Passed over temporarily while Roberts was sent to inquire of Commissioners whether they would have authority to get Special Indexing done if Registrar of Deeds' health should make it impossible for him to finish.

Item 5. through 11. Approved.

Item 12. Discussion. Appreciation expressed at having Mr. Foss present to discuss his budget. It was brought out that due to some misunderstanding, the Commissioners had not authorized money for Sheriff's radio as voted by Delegation last June.

Lamprey moved, seconded by Peaslee, that Sheriff have \$600 for radio, and that the Item, Sheriff's Ex-

penses, be increased from \$16,500.00 to \$17,100.00. Passed unanimously.

Item. 13. Approved.

Item 14. Passed over temporarily.

Commissioner Leighton was called in and the Delegation returned to Items 4 & 22. Leighton stated that the Commissioners would have authority to have Special Indexing done. He spoke favorably of having regular company come in to finish job and then keep it up to date.

Inquiry was made as to whether Mrs. Bunker would have time for this work should it be done locally. Commissioner Leighton expressed opinion that she might have time to supervise at least.

Lamprey moved, seconded by Morey, that Item 22 for Special Indexing be increased from \$1700 to \$2500 and that the Commissioners be directed to oversee the completing of indexing during the calendar year 1958. Passed unanimously.

Item 4. Approved.

Item 18. Board and Care of Children. Commissioner MacKenzie had explained that due to very recent increase in number of cases, the amount listed would not be adequate.

Peaslee moved, seconded by Thompson, that Item on Care & Board of Children be increased from \$10,500 to \$11,000. Passed unanimously.

Item 19. Approved.

Item 20. Discussion ensued as to reason for decreased income from photostating. It was reported that Registrar of Deeds now refused to pay county share of fees received from use of the machine and claims he can do so legally since county must provide him with tools necessary to do his job. It was then stated that photostat is not an essential as he could use typewriter as he had done previously. It was then stated by senior

members of the Delegation that the photostat had been bought with the agreement that Registrar would pay county half of fees. This was about 1949, and this agreement was renewed with the Executive Committee 3 years ago. It was agreed the Delegation could refuse Registrar use of photostat machine.

Lamprey moved, seconded by Morey that the Executive Committee meet with Mr. Gray and that they be instructed to inform him that to expect the agreement made is still in force to reimburse the County for the use of the photostat machine, and that they may go to the County Solicitor for advice in the matter. Passed unanimously.

Item 21 & 23. Approved.

Item 24. Discussion ensued. Lamprey feels that since the individual towns vote money for Regional Associations it is a matter to be settled at town and not county level. Morey felt the county should continue contributions. After further discussion, Morey moved, seconded by Alexander that the item for Regional Associations be left as is. This was passed with 6 votes for and 3 against.

Items 25, 26, 27, and 28 approved.

We then returned to Item 14, County Home. Mr. Hatch was called in for additional information as to number of stock. He also gave information on tractor hire, and condition of pick-up truck.

The question arose as to whether the County applied for refund of road toll gasoline tax. This has not been done to date, and would seem to be worth doing. Morey moved, seconded by Nickerson, that we direct the attention of the Commissioners to this and that they apply for rebate on gasoline tax from now on and retroactive as far as possible.

Discussion ensued in regard to buying truck to replace pick-up as repair bills were so high. Peaslee

moved, seconded by Thompson, that under Div. VII of County Home budget, farm equipment, item be increased to \$1800 with the understanding that \$1200 be for trading the pick-up. Passed unanimously. Lamprey moved, seconded by Thompson that Div. VI, repairs, be reduced to \$8,500.00 since repairs to old truck would now be eliminated. Passed unanimously.

The next discussion was on feed costs for farm stock. Could putting it out to bids result in saving? Mr. Hatch was again called in and he explained the difficulties involved in this method, and felt he is getting a good price as is. Rest of Home budget was approved.

Attention was called to the fact that the county has \$29,121.74 in accounts not being used. The Executive Committee had instructed that the Sawyer Fund be used for Special Indexing. Peaslee moved, seconded by Thompson, that we accept the total budget of \$199,200.00 for the year 1958. Passed unanimously.

Lamprey moved that we take the Sawyer Fund and the Insurance Fund and apply them against the current budget. Delegation then checked and found that the Commissioners had withdrawn Sawyer Fund and it is included in cash balance.

Lamprey now moved, seconded by Morey, that we take the \$13,810.79 Insurance Fund and apply it against the budget. Heated discussion ensued. The motion finally passed, 5 voting for and 4 against with one abstaining. Peaslee requested a roll call resulting as follows:

YES: Morey, Nickerson, Lamprey, Morrill, Roberts, Hill*.

NO: Peaslee, Thompson, Alexander, Claffin.

*Mrs. Hill at first abstained, but later asked to be recorded as voting "yes".

Peaslee moved, seconded by Thompson, that the Building Fund of \$13,324.69 be applied against current budget.

Discussion ensued as to status on Court House enlarging. There is question as to Prescott's right to continue, general disagreement on part of Delegation, and an inclination on part of some to leave what and how to Commissioners.

Prescott had indicated his price would be 1% of estimated cost, or \$1400 if not retained. Peaslee suggested \$500 out of building fund. Chandler felt any amount paid would have to be in the budget.

Peaslee's motion was temporarily withdrawn, Peaslee now moved, seconded by Lamprey, that we reconsider vote whereby we passed the budget. Passed unanimously.

Peaslee moved, seconded by Thompson, that we include in the budget an item of \$700 as architect's fee, payment in full to date, to Douglas Prescott. Passed unanimously.

Peaslee moved, seconded by Thompson, that we accept the budget of \$199,900.00. Passed unanimously.

Mrs. Hill requested that her vote be recorded as Yes on the roll call.

Peaslee's motion was not put again and passed with one dissenting.

<hr/>	
\$108,481.33	Amount to be raised

Peaslee moved, seconded by Lamprey that we raise the sum of \$108,481.33 for the budget 1958. Passed unanimously.

It was the expressed opinion of the Delegation that Claflin should notify Prescott of the Delegation's action in view of the complicated situation, and since Claflin had made previous contacts with him. Roberts so moved, seconded by Morey. Passed. Claflin expressed desire that Delegation should see copies of this correspondence and approve before it was sent.

Alexander moved, seconded by Thompson, that we adjourn. Adjourned at 5:50 p.m.

COMMISSIONERS' REPORT

There is a great sameness in the annual reports of County Commissioners, and that of 1958 is no exception. Generally speaking things were about the same in Carroll County, no emergencies taking place.

Conditions in the major offices of the Court House remain crowded, and it is hoped that something will be done the coming year to relieve this situation. The furnace in this building is forty two years old, and had it not been for the tender care of Grover Wiggins, able custodian of the Court House for over thirty years, said furnace would probably have ceased to function before now.

It is always a pleasure for the commissioners to report, as well as for Carroll County people to know that the appropriation for any year has not been over spent, and such was the case in 1958. Some over a thousand dollars remains unexpended, with one questionable bill not paid.

By vote of the Delegation both the barn insurance money, and what was known as the "Building Fund" were placed in general fund and spent during the past year. This helped to make a good looking budget for 1958, but will of necessity change the looks of things the coming year. The above mentioned funds were in savings banks and earning 3% interest.

The Home operated as usual under the able direction of Supt. and Mrs. Hatch. It was filled to capacity practically all year, and the various inspectors who descend upon such places always returned a favorable report as to conditions found. There were fifty odd residents during the year, most of them paying board, for which \$50,406.21 was realized. This is some \$8,000 more than was received the previous year. \$8,833.00 was taken in for produce sold, and an estimated

\$11,000.00 worth more, was consumed on the place. The actual cost of running Carroll County Home for the year 1958 was \$28,115.20, or some three thousand less than in 1957.

In conclusion the commissioners think that they would be remiss in their duties if they did not make certain recommendations about necessities at the Court House, if no major changes are contemplated. The conduction of electric currant in the building is antiquated, and the commissioners have been advised that the whole building should be rewired. Records are in danger of being lost should there be a fire, and there should be some kind of vault protection. A new furnace is a must, and the commissioners recommend the installation of a sprinkler system.

Respectfully signed,
